Politically, the treaty fostered resentment among Germans, fueling nationalist movements and the rise of Adolf Hitler. The treaty's harsh terms are often cited as contributing factors to the outbreak of World War II.

Question 3: What was the significance of the Cold War?
 Sample Answer: The Cold War was a period of ideological, political, and military rivalry between the United States and the Soviet Union from roughly 1947 to 1991. It shaped global politics

through proxy wars, arms races, and diplomatic conflicts without direct military confrontation between the superpowers. The Cold War led to significant events such as the Cuban Missile Crisis, the Vietnam War, and the space race, notably the moon landing. Its end resulted in the collapse of the Soviet Union and the emergence of the United States as the sole superpower.
